PMCA HARD HAT SAFETY AWARD

B.W Self, chairman of the PMCA safety committee and member of the PMCA executive board announced a new safety program that will be a year long recognition of PMCA contractor employees. The safety program will recognize a nominated PMCA member employee each month with a special made in the U.S.A. customized American Eagle hard hat along with an invitation to lunch with the chairman, committee members, the PMCA member contractor who nominated the awardee along with a guest. In addition the Safety Award recipient will also receive a \$50.00 VISA card.

At the annual PMCA board meeting one of the monthly safety award winners will be chosen to be the PMCA safety awardee of the year. The winner will also will be recognized at the board meeting and receive a \$500.00 check from PMCA.

Safety is always a priority with the member contractors of the PMCA and this is just one of the ways that the association intends to prioritize safety throughout the year.

Each month the winning PMCA member employee will receive a special made in the U.S.A. customized American Eagle hard hat.

All standard rules and regulations apply. Each company's safety criteria along with the PMCA safety criteria will be used in the judging. For more information and to submit your nominee, **contact Tom Dardis, executive director of the PMCA at 815-741-4902 or threerca@comcast.net.**
